9. Assessment Strategy

9.1 CIBTAC qualifications are assessed externally by practical examinations and Multiple Choice Theory papers

9.2 The assessment methodology consists of 2 parts, namely:

Part 1 will consist of a Multiple Choice Theory examination paper. The features of the MCQ test are:

- the formats of MCQs will be determined by the domain of learning (Knowledge, Understanding, and Application) on which the Learner is to be assessed
- the MCQ paper will consist of 80 questions covering the mandatory and chosen optional units
- each MCQ paper will be composed of MCQs with 1 correct answer and 3 distractors
- results of the MCQ assessment will be made available to Centres within 6 weeks following the exam date
- Learners will be required to gain a minimum of 60% in each unit to pass

Part 2, the practical is a synoptic assessment carried out by a CIBTAC Examiner. The features of the practical examination are:

- the mandatory and selected optional units of this qualification have a practical exam time of 2 hours 30 minutes (including 5 minutes for final aftercare)
- within the practical observation the Examiner will observe the consultation, Client care, health and safety and appearance and marks will be awarded for all these areas
- some areas require minimum marks to be achieved. Failure to achieve the minimum will result in failure of the unit and this may need to be retaken at another date
- the pass mark for the practical is 60% for each unit

9.3 The Learner will need to pass all MCQ papers and practical examination to achieve the full CIBTAC Level 3 Diploma in Spa Therapy

10. Grading Scheme

To gain a qualification all units must be passed or achieved. Portfolio only units will be designated “achieved” or “not achieved”. Externally assessed units will be graded, the grades given will encompass both written and practical examinations and will be awarded as shown below. The overall grade for the qualification will be determined by the grades achieved for all units carrying an external assessment. The qualification grade is the lowest unit grade. The unit grade is the lowest of the theory and practical grade (where both forms of assessment take place). To receive a pass, all portfolio-only units must be achieved and all externally examined units must receive a pass score. To receive a merit all externally examined units must have received at least a merit score. To receive a distinction, all externally examined units must have received at least a distinction score. Grade thresholds may be subject to change.

Grade	Mark range
Distinction	Marks of 85% and above
Merit	Marks of 75% - 84%
Pass	Marks of 60% - 74%
Fail	Marks of 59% and below

11. Initial assessment and Induction

Approved Centres will need to undertake an initial assessment of each Learner prior to the start of their programme to make sure that the level and type of qualification is appropriate. The initial assessment should identify any specific needs that the Learner may have and the support and guidance they will require when working towards the achievement of their qualification.

CIBTAC recommends that Learners undertake a relevant induction programme to familiarise them with the requirements of the qualification they will be undertaking, their responsibilities as Learners and the responsibilities of the approved Centre. A learning contract or professional development plan may be useful in this respect.

12. Entry Requirements

Learners should either be working in or aspiring to join the Beauty or Spa Industries if possible. They should ideally have:

- a good general education, including GCSE Mathematics and English, A* - C. This may also include achievement of Functional Skills or Essential Skills in Mathematics and English

13. Accreditation of Recognised Prior Learning (RPL)

- 13.1 Approved Centres should provide appropriate advice and guidance to Learners seeking exemptions as a result of prior learning
- 13.2 Each Learner is responsible for preparing each case of RPL
- 13.3 The Head of Training at the Centre is responsible for providing the outcome in writing to each Learner. Each claim should be verified by a CIBTAC Examiner or the CIBTAC Education Development Officer

14 Qualification time constraints

- 14.1 CIBTAC offers a lifetime registration fee. Learners are allocated a Unique CIBTAC ID and this will appear on all certificates.
- 14.2 Learners have 3 years to complete a full qualification, subject to it being offered by an approved Centre; however it is normally anticipated that the CIBTAC Level 3 Diploma in Spa Therapy will be completed within one academic year. Learners may complete the qualification more quickly subject to the assessments being made available by the approved Centre
- 14.3 Learners are permitted to sit 2 re-sits in unsuccessful units in the 2 years following the initial exam. If they are still unsuccessful after that, the Learner must re-register for these units and complete the course of study again, before sitting the complete examination. This applies to both practical and theory aspects. A unit certificate will be provided for all successfully completed units

15 Centre Requirements

- 15.1 Only approved Centres may offer CIBTAC qualifications. Centres must apply for approval to become a recognised approved CIBTAC Centre. Full details are available from CIBTAC. The approval process will determine whether the Centre:
