## **CIBTAC**

The Confederation of International Beauty Therapy and Cosmetology (CIBTAC) was established in 1977 as the education arm of The British Association of Beauty Therapy and Cosmetology (BABTAC). We are a not-for-profit organisation, continually reinvesting our income for the benefit of our accredited Centres and their Learners.

### **1. Introduction to CIBTAC qualifications**

- 1.1. Each of our qualifications are developed through our close relationships with government agencies and employers from around the world, ensuring they are tailored to provide for the requirements of the international industry. Many of our Centres have been with CIBTAC for more than 30 years and their qualifying Graduates are sought after by first-rate employers because they are both educated to a high level and are salon ready
- 1.2. Our qualifications are challenging, but highly attainable and designed to ensure an exceptional quality of Graduate is entering the sector whilst providing a flexible learning structure that allows each individual to design their portfolio of qualifications depending on their career aspirations. Qualifications are recognised by the England Government Regulated Qualifications Framework (RQF) which is often used to support local governments' qualifications throughout the world to enable international recognition for the Learner. If qualifications sit within a national qualification framework (such as the RQF) this enables greater recognition and comparability not only nationally, but also internationally where national qualification frameworks are referenced to the European Qualifications Framework (EQF)
- 2.3 CIBTAC ensures its qualifications are fit for purpose by mapping them to National Occupational Standards where they exist. Qualifications are supported by professional associations and external end examinations are structured to be similar to an industry trade test and therefore prepare Learners for seeking employment

Ofqual defines GLH and TQT as:

### Guided Learning (GL)

Guided Learning is 'the activity of a Learner in being taught or instructed by – or otherwise participating in education or training under the immediate guidance or supervision of – a Lecturer, Supervisor, Tutor or other appropriate provider of education or training'. This includes 'the activity of being assessed if the assessment takes place under the immediate guidance or supervision of a Lecturer, Supervisor, Tutor or other appropriate provider of education or training'

### Total Qualification Time (TQT)

Total Qualification Time is the number of notional hours which represents an estimate of the total amount of time that could reasonably be expected to be required in order for a Learner to achieve and demonstrate the achievement of the level of attainment necessary for the award of the qualification

## **7. Strategy for Delivery**

- 7.1. The strategy for delivery of the units that make up the CIBTAC Level 4 Award in Skin Peeling Treatments is based upon a combination of theory and practical sessions
- 7.2. The delivery of the programme may vary according to the Centre and may be delivered in any format that supports the Total Qualification Time (TQT) of 120 hours. This may include training workshops or seminars, e-learning, distance learning or self-study. The CIBTAC Level 4 Award in Skin Peeling Treatments has a total minimum number of 59 guided learning hours (GLH). These hours must take place during simultaneous contact between Tutor and Learner
- 7.3. To develop commercial competence you must carry out treatments in Realistic Working Environments (RWE) involving paying Clients
- 7.4. Whilst attending training, if Learners wish to practice skills outside of the training environment, they must pass a formal practical assessment conducted by a competent tutor to ensure competency to work independently. All learners must also have appropriate insurance in place to carry out practical treatments outside of the training environment. It is mandatory that all students purchase a 'student kit' containing all supplies, products and consumables from the training provider if carrying out practical treatments outside of the training environment.

## **8. Assessment Strategy**

- 9.1 CIBTAC qualifications are assessed externally by practical examinations and Multiple Choice Theory papers
- 9.2 The assessment methodology consists of 2 parts, namely:  
Part 1 will consist of a Multiple Choice Theory examination paper. The features of the MCQ test are:
  - the formats of MCQs will be determined by the domain of learning (Knowledge, Understanding, and Application) on which the Learner is to be assessed
  - the MCQ paper will consist of 50 questions covering the mandatory units
  - each MCQ paper will be composed of MCQs with 1 correct answer and 3 distractors
  - results of the MCQ assessment will be made available to Centres within 6 weeks following the exam date
  - Learners will be required to gain a minimum of 60% in each unit to passPart 2, the practical is a synoptic assessment carried out by a CIBTAC Examiner. The features of the practical examination are:
  - the mandatory units of this qualification have a practical exam time of 1 Hour 25 minutes

- within the practical observation the Examiner will observe the consultation, Client care, health and safety and appearance and marks will be awarded for all these areas
- some areas require minimum marks to be achieved. Failure to achieve the minimum will result in failure of the unit and this may need to be retaken at another date
- the pass mark for the practical is 60% for each unit

9.3 The Learner will need to pass all MCQ papers and the practical examination to achieve the full CIBTAC Level 4 Award in Skin Peeling Treatments.

## 9. Grading Scheme

To gain a qualification all units must be passed or achieved. Portfolio only units will be designated “achieved” or “not achieved”. Externally assessed units will be graded, the grades given will encompass both written and practical examinations and will be awarded as shown below. The overall grade for the qualification will be determined by the grades achieved for all units carrying an external assessment. The qualification grade is the lowest unit grade. The unit grade is the lowest of the theory and practical grade (where both forms of assessment take place). To receive a pass, all portfolio-only units must be achieved and all externally examined units must receive a pass score.

To receive a merit all externally examined units must have received at least a merit score. To receive a distinction, all externally examined units must have received at least a distinction score.

Grade thresholds may be subject to change.

Grade	Mark range
Distinction	Marks of 85% and above
Merit	Marks of 75% - 84%
Pass	Marks of 60% - 74%
Fail	Marks of 59% and below

## 10. Initial assessment and Induction

Approved Centres will need to undertake an initial assessment of each Learner prior to the start of their programme to make sure that the level and type of qualification is appropriate. The initial assessment should identify any specific needs that the Learner may have and the support and guidance they will require when working towards the achievement of their qualification. CIBTAC recommends that Learners undertake a relevant induction programme to familiarise them with the requirements of the qualification they will be undertaking, their responsibilities as Learners and the responsibilities of the approved Centre. A learning contract or professional development plan may be useful in this respect.

## 11. Entry Requirements

Learners will have a Level 3 beauty therapy qualification or CIBTAC Level 3 Certificate in the Principles of Cosmetic Practice and/or be working in the beauty/aesthetics industry. Learners are required to be 18 years of age. In addition to the pre requisite qualification requirements, evidence must be presented to the examiner to show

- Current knowledge of anatomy and physiology at Level 3 (within the last 6 months). For Learners who have not immediately progressed from a Level 3 beauty therapy qualification or CIBTAC Level 3 Certificate in the Principles of Cosmetic Practice, the Centre must evidence current knowledge in the form of a written test or assignment.

In line with government recommendations Learners should normally have:

5 GCSEs at grade C and above including Maths, English and a Core Science plus one of the following, recognising the value of non-traditional vocational qualifications in this field:

- one A-Level or equivalent, a level 3 accredited qualification from an Awarding Organisation in a relevant subject, e.g. Beauty Therapy, Access course Skills for Health bridging programme
- for Learners who have not achieved secondary education-level qualifications, work experience may count toward entry, e.g. through submission of a portfolio of evidence, but prior work experience should not be a requirement for entry. Applicants must demonstrate ability to study at Level 4
- if English is not the applicant's first language, an English language level of International English Language Testing System (IELTS) 6.5 or 7.0 (depending on the education provider's requirements) in all components or equivalent will be required

## 12. Accreditation of Recognised Prior Learning (RPL)

12.1 Approved Centres should provide appropriate advice and guidance to Learners seeking exemptions as a result of prior learning

12.2 Each Learner is responsible for preparing each case of RPL

12.3 The Head of Training at the Centre is responsible for providing the outcome in writing to each Learner. Each claim should be verified by a CIBTAC Examiner or the CIBTAC Education Development Officer

## 13. Qualification time constraints

13.1 CIBTAC offers a lifetime registration fee. Learners are allocated a Unique CIBTAC ID and this will appear on all certificates

13.2 Learners have 3 years to complete a full qualification, subject to it being offered by an approved Centre; however it is normally anticipated that the CIBTAC Level 4 Award in Skin Peeling Treatments will be completed within one academic year. Learners may complete the qualification more quickly subject to the assessments being made available by the approved Centre

13.3 Learners are permitted to sit 2 re-sits in unsuccessful units in the 2 years following the initial exam. If they are still unsuccessful after that, the Learner must re-register for these units and complete the course of study again, before sitting the complete examination. This applies to both practical and theory aspects. A unit certificate will be provided for all successfully completed units

## **14 Centre Requirements**

14.1 Only approved Centres may offer CIBTAC qualifications. Centres must apply for approval to become a recognised approved Centre. Full details are available from CIBTAC. The approval process will determine whether the Centre:

- meets the approval criteria and,
