1. CIBTAC

The Confederation of International Beauty Therapy and Cosmetology (CIBTAC) was established in 1977 as the education arm of The British Association of Beauty Therapy and Cosmetology (BABTAC). We are a not-for-profit organisation, continually reinvesting our income for the benefit of our accredited Centres and their Learners.

2. Introduction to CIBTAC qualifications

- 2.1. Each of our qualifications are developed through our close relationships with government agencies and employers from around the world, ensuring they are tailored to provide for the requirements of the international industry. Many of our Centres have been with CIBTAC for more than 30 years and their qualifying Graduates are sought after by first-rate employers because they are both educated to a high level and are salon ready

Ofqual defines GLH and TQT as:

Guided Learning (GL)

Guided Learning is ‘the activity of a Learner in being taught or instructed by – or otherwise participating in education or training under the immediate guidance or supervision of – a Lecturer, Supervisor, Tutor or other appropriate provider of education or training’. This includes ‘the activity of being assessed if the assessment takes place under the immediate guidance or supervision of a Lecturer, Supervisor, Tutor or other appropriate provider of education or training’

Total Qualification Time (TQT)

Total Qualification Time is the number of notional hours which represents an estimate of the total amount of time that could reasonably be expected to be required in order for a Learner to achieve and demonstrate the achievement of the level of attainment necessary for the award of the qualification

8. Strategy for Delivery

8.1. The strategy for delivery of the units that make up the CIBTAC Level 5 Award in Skin Peeling Treatments is based upon a combination of theory and practical sessions

8.2. The delivery of the programme may vary according to the Centre and may be delivered in any format that supports the Total Qualification Time (TQT) of 120 hours. This may include training workshops or seminars, e-learning, distance learning or self-study .The CIBTAC Level 5 Award in Skin Peeling

Treatments has a total minimum number of 59 guided learning hours (GLH). These hours must take place during simultaneous contact between Tutor and Learner

- 8.3. To develop commercial competence you must carry out treatments in Realistic Working Environments (RWE) involving paying Clients
- 8.4. Whilst attending training, if Learners wish to practice skills outside of the training environment, they must pass a formal practical assessment conducted by a competent tutor to ensure competency to work independently. All learners must also have appropriate insurance in place to carry out practical treatments outside of the training environment. It is recommended that all students purchase a 'student kit' containing all supplies, products and consumables from the training provider if carrying out practical treatments outside of the training environment.

9. Assessment Strategy

CIBTAC qualifications are assessed externally by practical examinations

9.1 The assessment methodology consists of 1 part, namely:

Part 1 the practical is a synoptic assessment carried out by a CIBTAC examiner. The features of the practical examination are:

- a. the mandatory units of this qualification have a practical exam time of 1 hour 25 minutes
 - b. within the practical observation the examiner will observe the consultation, Client care, health and safety and appearance and marks will be certificated for all these areas
 - c. some areas require minimum marks to be achieved. Failure to achieve the minimum will result in failure of the unit and this may need to be retaken at another date
 - d. the pass mark for the practical is 60% for each unit
- 9.2 The Learner will need to pass the case study requirements and the practical examination to achieve the full CIBTAC Level 5 Award in Skin Peeling Treatments.
- 9.3 In preparation for this exam Learners must successfully complete range sheets for the unit. These are internally assessed. The evidence of these assessments must be captured within portfolios.
- i. Portfolio:
 - a. the Learner will be expected to complete a portfolio containing each unit of the Award
 - b. each portfolio will require the completion of a number of treatments. The number of treatments required for achievement of the portfolio varies from unit to unit, which are outlined in each unit in the syllabus. Each treatment will cover the minimum delivery of specific treatments within the unit
 - c. each treatment plan must contain information which is outlined in the assessment methodology section of the unit
 - d. there is a case study requirement. The case studies must show application of reflective practice

- The 10 case studies should be used for a base to apply reflective practice which should be included as a conclusion section for each case study
- The 10 case studies can be decided based on an individual client's needs, for example 5 case studies may be performed on one client to show progressive improvement in skin condition, whereas the remaining 5 case studies could be carried out on 2 more clients. Learners must justify their decisions in their case study documents

ii. Assignment:

- a. Centre devised assignments must be used to cover learning outcomes and assessment criteria. It is recommended that several assignments are used to fulfil units, up to as many as the Centre feels is appropriate to cover all the material.
- b. Assignments tasks must identify the criteria being assessed to meet unit coverage. Tasks should be challenging rather than easily achievable
- c. All Centre devised assignment briefs must be internally quality assured prior to issue
- d. All Centre devised assignment briefs must show clear evidence of mapping Learning outcomes and assessment criteria. These may be inspected by CIBTAC Head Office or the CIBTAC visiting examiner as part of course approval or ongoing quality assurance.
- e. Assignments will be marked by the tutor, and externally moderated by CIBTAC

10. Grading Scheme

To gain a qualification all units must be passed or achieved. Portfolio only units will be designated "achieved" or "not achieved". Externally assessed units will be graded, the grades given will encompass both written and practical examinations and will be awarded as shown below. The overall grade for the qualification will be determined by the grades achieved for all units carrying an external assessment. The qualification grade is the lowest unit grade. The unit grade is the lowest of the theory and practical grade (where both forms of assessment take place). To receive a pass, all portfolio-only units must be achieved and all externally examined units must receive a pass score.

To receive a merit all externally examined units must have received at least a merit score. To receive a distinction, all externally examined units must have received at least a distinction score. Grade thresholds may be subject to change.

Distinction	Marks of 85% and above
Merit	Marks of 75% - 84%
Pass	Marks of 60% - 74%
Fail	Marks of 59% and below

11. Initial assessment and Induction

Approved Centres will need to undertake an initial assessment of each Learner prior to the start of their programme to make sure that the level and type of qualification is appropriate. The initial assessment should identify any specific needs that the Learner may have and the support and guidance they will require when working towards the achievement of their qualification. CIBTAC recommends that Learners undertake a relevant induction programme to familiarise them with the requirements of the qualification they will be undertaking, their responsibilities as Learners and the responsibilities of the approved Centre. A learning contract or professional development plan may be useful in this respect.

12. Entry Requirements

Learners will have a Level 4 qualification in skin peeling and/or be working in the beauty/aesthetics industry. Learners are required to be 18 years of age.

13. Accreditation of Recognised Prior Learning (RPL)

- 13.2 Each Learner is responsible for preparing each case of RPL
- 13.3 The Head of Training at the Centre is responsible for providing the outcome in writing to each Learner. Each claim should be verified by a CIBTAC Examiner or the CIBTAC Education Development Officer

14. Qualification time constraints

- 14.1 CIBTAC offers a lifetime registration fee. Learners are allocated a Unique CIBTAC ID and this will appear on all certificates
- 14.2 Learners have 3 years to complete a full qualification, subject to it being offered by an approved Centre; however it is normally anticipated that the CIBTAC Level 5 Award in Skin Peeling Treatments will be completed within one academic year. Learners may complete the qualification more quickly subject to the assessments being made available by the approved Centre
- 14.3 Learners are permitted to sit 2 re-sits in unsuccessful units in the 2 years following the initial exam. If they are still unsuccessful after that, the Learner must re-register for these units and complete the course of study again, before sitting the complete examination. This applies to both practical and theory aspects. A unit certificate will be provided for all successfully completed units

15 Centre Requirements

15.1 Only approved Centres may offer CIBTAC qualifications. Centres must apply for approval to become a recognised approved Centre. Full details are available from CIBTAC. The approval process will determine whether the Centre:
